# WELCOME MESSAGE FROM NILS

**Hello TFS Friends and Partners,**

Once again, we are welcoming to you to the biggest international open networking event for freight forwarders – The Freight Summit!

I would like to send my sincerest gratitude to all the delegates, partners and sponsors for joining us in our TFS 12<sup>th</sup> Global Conference as we bring you back to where we held our first ever conference: The Las Vegas of Asia – Macau.

It is very humbling to see that for over 12 years, many of our previous TFS attendees have returned while new companies have also registered to support and be part of our growing community. I'm also excited to welcome 10 reliable forwarding networks and their members to participate this year.

This year's TFS is being held in the 5-star hotel venue located in the Cotai Strip, the MGM Cotai where we will be having our formal-themed welcome cocktail reception; city tour program, so that you can explore and wander in the magnificent town of Cotai; and sunset cocktail to let you socialize with the delegates. You will also have the chance to meet and network with your meeting partners to our 4-day face-to-face meetings

It's another successful year for us all at The Freight Summit. Trust that our community will grow and more business opportunities will come your way.

I hope you will have a good time at TFS 12<sup>th</sup> Global Conference!

Best regards,

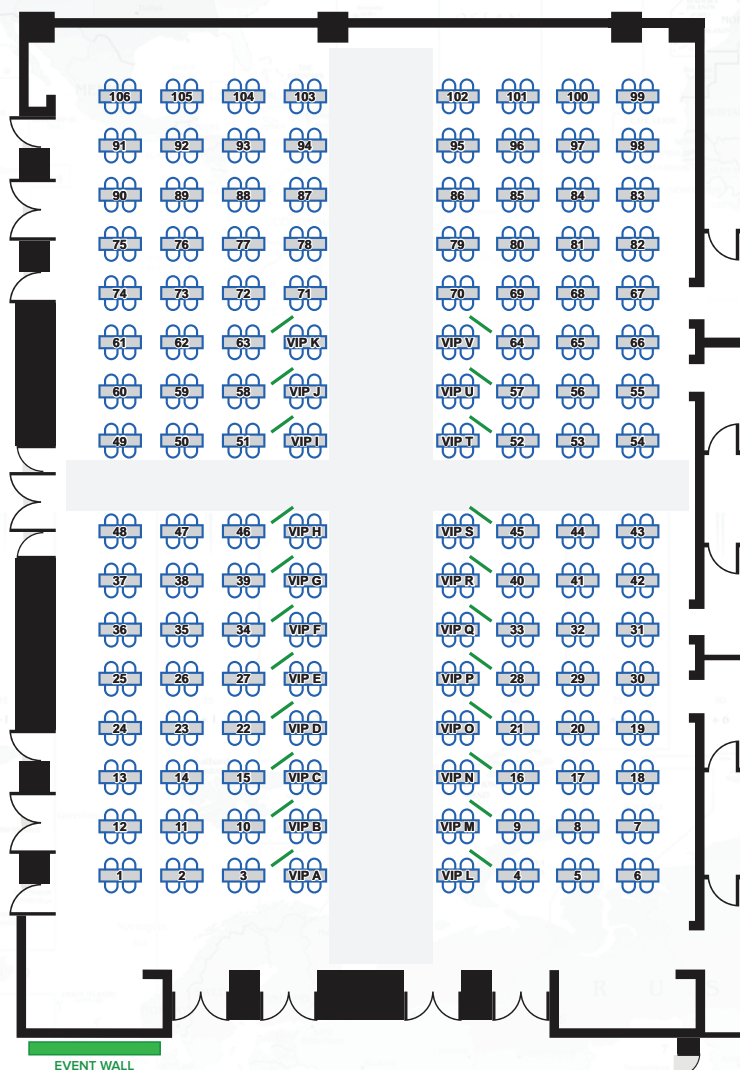

Director and Co-founder  
**The Freight Summit**

Macau, with its rich culture and history, has a lot of wonderful places to explore. This year, we will bring you to the country's most prominent attraction such as the Ruins of St. Paul, Macau Fortress, Nacha Temple, St. Dominic Church, and many more. The city tour lets the delegates explore and experience the beauty of the place aside from having a meeting inside the hotel venue. It gives them more time to relax and enjoy the group outing with their TFS friends.

# ABOUT MACAU

## FUN FACTS ABOUT MACAU!

### *Las Vegas of Asia*

Macau is an autonomous region on the southern coast of China across Hong Kong's Pearl River Delta. Known for its giant casinos and malls on the Cotai Strip have earned it the nickname the "Las Vegas of Asia."

Did you know that Macau is the only place in China where you can gamble legally? Macau has over 40 casinos offering memorable destinations such as the gondolas and canals of the Venetian Macau and the world's best water show at the City of Dreams.

The name Cotai Strip originates from the result of the major land reclamation project that joined the two islands of Coloane and Taipa. It was coined by the Las Vegas Sand Corporation and earned a trademark from the United States Patent and Trademark Office. The area developed into a grid-like layout of major casinos and hotels, closely resembling the Las Vegas Strip.

Connected by a bridge, Taipa and Coloane provide Macau with a more natural scenery. These islands are home to the finest colonial style villages.

Macau is also one of the world's richest regions! According to the World bank, their GDP per capita is higher than any other country in the world!

In addition, the region is a huge exporter of machines! Their main industries include, tourism, gambling, electronics, toys, footwear, textiles and clothing.

### AVENIDA DE AMIZADE

Fisherman's Wharf is the largest leisure and themed entertainment complex in the Macau Peninsula. It features a variety of hotels, casinos and typical main attractions alongside a parade of restaurants and shops. It is located within five minutes from the Macau Ferry Terminal.
